Support international efforts to deny safe havens for corrupt funds and facilitate more systematic and timely return of proceeds of corruption

**Pillars**

- **Strengthening requesting countries’ legal and coordination mechanisms and operational capacity to recover stolen assets**
  - Improved international cooperation efforts and investigations related to asset recovery cases
  - Increased transparency and accountability in the return and management of recovered assets

- **Improving efforts to deny safe havens for proceeds of corruption in financial centers**
  - Increased effectiveness in implementation of beneficial ownership transparency reforms, asset declarations and monitoring of PEPs
  - Enhanced scrutiny of the role played by gatekeepers/enablers by advocating for greater transparency

- **Promoting global dialogue, improving standards and increasing knowledge on asset recovery**
  - Improved knowledge of asset recovery processes and collaboration between countries in the return of stolen assets
  - Increased influence by experts on asset recovery agenda to allow for more cohesive engagement

**DO Level Outcomes**

- **Intermediate Outcomes**
  - Strengthened legal, regulatory framework and institutional capacity of client countries for managing asset recovery cases
  - Increased capacity of practitioners to prevent assets from being stolen and to conduct asset recovery investigations
  - Improved domestic coordination mechanisms for cohesive action on asset recovery cases

- **Outcomes**
  - Increased understanding of beneficial ownership-related risks
  - Improved risk awareness to proceeds of corruption by financial centers, and adherence to regulations by relevant professions

- **Outputs**
  - **At the country level**: technical assistance on legislative frameworks and coordination mechanisms; case support; capacity and institution building, advocacy and awareness raising
  - **At the global level**: Creation and dissemination of knowledge, contribution to the policy agenda on asset recovery at global events
